Production would be about 5-7 business days after the order is placed and they both ship from CA so it would be 1-2 days for ground shipping.

Thank you. I just sent a reply to the Deluxe email I received with the revised quote (I'm not sure if you will get it.). Can you give me an estimate from the time we say go until it is shipped? Thank you

Good afternoon Kelly,

The price on these might have been updated since that last order, I have honored that \$1.96 for the 1000 piece price and the 2500 piece price was lower already. There are not set ups on this quote as we do already have the art on file.

Hi Laura,

I am sending this to you since I don't have Mark's information (I spoke with him earlier today on the phone). Can you please help or route this to him? Thank you

Thank you. The one question I have is regarding the 2oz bottles. The original order for 250 bottles had a unit price of \$1.96. Why is the quote for 1,000 and 2,500 higher on a per unit basis? I was expecting it to be closer to \$1.85 - \$1.90. Also, I'm assuming there is no set up fee since you have the artwork in your system already.
