Re: Discussion and Motion: To submit a CIS in response to CF 21-0878 COVID- 19 / Vaccination Requirement / Eligible Individuals / Indoor Spaces / Vax Up LA.

CIS Filed:

The Northridge West Neighborhood Council voted to OPPOSE this Council File.
We took this position because:

- 1) We support ALL our neighbors' FREEDOM to make personal medical decisions, such as a decision to vaccinate or not to vaccinate, without punishment; AND
- 2) This policy would negatively impact the businesses in our community by requiring private businesses to enforce the City's mandate.

This motion passed at a Special Meeting on the Northridge West Neighborhood Council on 8/10/2021, by a vote of 9 yes, 0 no, and 2 abstain.

Sincerely

Abby Bailes

President NWNC
