Re: ZA2021-2949-CUB-CU 9346 Corbin Ave - Plan Approval application for conditional use permit for sale of beer and wine for on-site consumption at Delivery Kitchen

Dear LA Department of City Planning,

The Northridge West Neighborhood Council recently considered case # ZA2021-2949-CUB-CU. *They have* requested support for a conditional use permit for sale of beer and wine for on-site consumption at Delivery Kitchen, a new restaurant/food hall to be located at 9346 Corbin Ave., Northridge, CA.

At a Special Board Meeting of the Northridge West Neighborhood Council on 3/8/2022, the Board Members raised concerns about the hours of service and motioned to amend the hours to stop the same of beer and wine at midnight every night. The motion passed unanimously 12:0. It read as follows.

NWNC APPROVED MOTION REQUESTS CHANGE TO ZA2021-2949-CUB-CU: The Northridge West Neighborhood Council unanimously requests that the approval the Plan Approval application for conditional use permit #ZA2021-2949-CUB-CU 9346 Corbin Ave, for sale of beer and wine for on-site consumption at Delivery Kitchen **BE CHANGED** to stop the sale of alcohol at 12:00 AM Midnight every night of the week. These hours are in line with the restaurants in the same shopping center and are in consideration of the neighbors close by.

Sincerely,

Abby Bailes
