SECTION II - PROJECT DESCRIPTION

- 4) **Please describe the purpose and intent of the grant.**
 Our large team is comprised of 39 people, so our budget exceeds \$40,000 a year. Each year we require at least \$6,000 for competition hotels for the two FRC (FIRST Robotics Competition) competitions that we attend. In the past we have not been able to pay for everyone, in order to save money for the future generations of team members, and we have not been able to take everyone to competitions. In order to take each and every member of the team to these competitions and provide them the whole incredible FRC experience, we require more funds to cover the expenses such as bus rentals, hotels, and food. In addition, we believe that the grant will help us organize our Fall semester off-season projects, the training of new members, NS supplies and material for our robots.
- 5) **How will this grant be used to primarily support or serve a public purpose and benefit the public at-large.**
(Grants cannot be used as rewards or prizes for individuals)

Your financial assistance will aid us to be able to continue doing what we love. Being a non-profit organization, we rely on financial contributions from sponsors for us to continue our efforts to engineer a brighter future.
