The Northridge West Neighborhood Council supports Council Files 25-0207 and 26-1347 and asks for one addition. We ask that the City publish a monthly download that lists each City-funded interim housing site with its ID number from Council File 26-0090, total beds, beds offline, who the site serves and how people are referred, and the date it was last updated. It should include no personal information and no counts under 11 people, and it should leave out the address and location details of any domestic violence or youth site, or any site that asks to stay confidential. LAHSA already posts bed counts by program online, but there is no download, the table hides program names, and it does not show who each site serves. This list would help outreach workers and families find a bed that fits.
