In fairness to current sidewalk vendors as well as new sidewalk vending enterprises, and respecting the concerns of our stakeholders, I propose incorporating this verbiage into two (2) separate NWNC CIS’ addressing the two (2) CF proposals set forth by SB946:

Council File 13-1493-SS - Sidewalk Vending Program / All City Parks / Permit Process / Health and Safety Regulations / Traffic and Pedestrian Congestion / Ordinance

Council File 13-1493-SS8 Sidewalks and Parks) / Outreach and Education Service Providers / Pre-Qualified List: Introduced on September 27, 2019 and Chief Legislative Analyst report, dated September 27, 2019, is relative to the Prequalified List – Sidewalk Vending – Outreach and Education of service providers for the Citywide Sidewalk Vending Program.

Draft dated 11/7/2019
Community Impact Statement from the Northridge West Neighborhood Council
Re: CF 13-1493-SS

"We are encouraged by the entrepreneur spirit of all residents of Los Angeles City and County. In fairness to all participants in the Sidewalk Vending enterprises, we strongly suggest that all laws, restrictions, fines, enforcement, fees, taxes, costs, insurances, licensing, permitting, oversight, assistance, loans, and prescribed benefits mentioned in SB 946 and reflected in CF 13-1493-SS be applied equally to all Sidewalk Vending enterprises, current and anticipated, regardless of economic or financial status, or Citizen or Legal Resident Status. This should be balanced by the ultimate protection of the health, welfare and safety all Los Angeles City and County Communities, Neighborhoods and Residents, therein.

"To balance the joint benefits, concerns, and welfare of Sidewalk Vendors and Residents, included in the guidelines must be:

- Sidewalk Vendors must have Permits, Licenses and Current Health Codes adherences and requirements;
- Adequate staff must be allocated for frequent Health, Safety and Code oversight and enforcement;
- Rational permitted locations that recognize ADA conformity and street safety;
- Stated sensible time of day restrictions for permitted operation;
- Establish restrictions on noise/music levels, lighting, and congestion to assure and provide for the Peace and Quiet of nearby residential neighborhoods and business enterprises;
- Protect the integrity, character and unity of existing and future residential communities. The City and County of Los Angeles should assure residents that these location restrictions will apply to future locations of sidewalk vendors in that they may operate only in any areas outside of those currently zoned as residential."

In fairness to all sidewalk vendors, residents, and our community unity and wellbeing, we respectfully request that the aforementioned recommendations be included in the Sidewalk Vending Rules and Guidelines, in conjunction with prescribed and existing health, safety and welfare components.

Council File 13-1493-S8 (Sidewalks and Parks) / Outreach and Education Service Providers / Pre-Qualified List: Introduced on September 27, 2019 and Chief Legislative Analyst report, dated September 27, 2019, is relative to the Prequalified List – Sidewalk Vending – Outreach and Education of service providers for the Citywide Sidewalk Vending Program.

DRAFT DATED 11/7/2019
Community Impact Statement from Northridge West Neighborhood Council
RE: CF 13-1493 – S8

The Northridge West Neighborhood Council requests that the City Council prohibit street vending in residential neighborhoods and create common sense regulations and enforcement to protect our neighborhoods from negative consequences or unregulated street vending. Our NC also acknowledges the benefit of street vending as an entry into business and the availability of services to our community. SB 946, as passed, states that the bill would “authorize a local authority to, by ordinance or resolution, adopt additional requirements regulating the time, place, and manner of sidewalk vending, as specified, if the requirements are directly related to objective health, safety, or welfare concerns.” Therefore, LA City can establish protections for health and safety. We support the LA City Councils CF 1493 to conduct outreach and education to vendors.

The problem in our community, as reported to our NC by stakeholders are as follows: We have received reports that some vendors in our neighborhood are completely blocking the sidewalks by setting up tents, tables and chairs, forcing pedestrians to walk in the street to pass. Vendors have been cooking with open flame, which causes concerns about fire safety. Others are setting up directly in front of restaurants that pay rent and maintain these areas at great costs. Some vendors have left debris and trash which may attract pests and rodents. We have also had reports of food poisoning which causes concerns for health and safety in food handling and processing.

Therefore, we respectfully ask the City Council, in addition to outreach, create common sense regulation and enforcement of street vending to protect public health and safety. We support to implementation of moderate permit fees on vendors which would allow the City to generate revenue to help pay for implementation costs. We are asking the City Council to create and enforce health and safety guidelines for food handling and preparation and to increase enforcement. We do not want to unnecessary regulate or burden vendors, but rather common health and safety for the public.
Letter from LA City Clerk NC Funding Division, Agenda item 24

From: "clerk.ncfunding@lacity.org" <cityclerk.funding@lacity.org>
Subject: Neighborhood Council Inventory Reports
Date: August 30, 2019 at 4:02:13 PM PDT
To: plasky@northridgewest.org, gwilson@northridgewest.org

Dear Neighborhood Council Board Members:

We hope this communication finds you all well.

As you may be aware, NCs are expected to maintain an inventory of applicable items purchased as required by the City and the NC Funding Program. Guidelines on Inventory can be found in the NC Funding Program Policies and Guidelines, which you can view at our website - https://clerk.lacity.org/neighborhood-council-funding-program.

To assist your NC with the inventory process, please find attached two inventory reports, in PDF format, which require your Board review, update, and action as outlined below.

One report lists items purchased by your NC during Fiscal Year 2018/2019 which qualify for inventory. This is the "FY18/19 Inventory" report which has been prepared according to Program guidelines by Program staff reviewing all of your NC purchases found in the Funding System portal for last Fiscal Year 2018/2019.

The second report is the report that your NC prepared in collaboration with the Dept. of Neighborhood Empowerment (DONE) in 2018 listing inventory items purchased prior to Fiscal Year 2018/2019. This is the "DONE Inventory" report.

During the next three months, September through November, please review and update the two reports to indicate the current status of each of the items listed as follows:

A) For the "FY18/19 Inventory" report:
“Unity in Our Community”

Northridge West
Neighborhood Council
Tuesday, 11/12, 2019 6:15 p.m. – 9:00 p.m.
Meet & Greet 6:00 p.m. - 6:15 p.m.
Northridge Christian Church
18901 Chatsworth St., Northridge CA 91326

1) In the “Current Status” Column, write-in one of the following codes as applicable:
   C – Currently in use
   S – For City Salvage
   M – Stolen/Missing
2) If the item is marked “S”, please indicate “Yes” or “No” under the Salvage Column if a Salvage Request has already been filed. If “No”, we will work with you to have City staff properly salvage the item.
3) If the item is marked “M”, please indicate “Yes” or “No” under the Stolen/Missing Column if a Police Report has been filed.

B) For the "DONE Inventory" report:
1) In the “Current Status” Column, indicate the following as applicable:
   Leave as is – If the item is still currently in use
   S – For City Salvage, cross-out “Current”
   M – Stolen/Missing, cross-out “Current”
2) If the item is marked “S”, we will work with you to have City staff properly salvage the item.
3) If the item is marked “M”, please indicate “Yes” or “No” under the Police Report Column if a Police Report has been filed.

The task of reviewing and updating the reports can be completed by a board member(s) as designated by your Board. The task is not an automatic responsibility of NC Financial Officers. It is up to the Board to determine who tracks its inventory. When the task is completed, please schedule/agendize to have the assigned member(s) present the updated reports to your Board for final Board review and action.

The final updated, approved reports and accompanying Board Action Certification (BAC) Form must be uploaded to the Funding System portal, Inventory Section, no later than December 1, 2019. If you need assistance in uploading the documents, please contact your NC Funding Representative.

When our Program receives the two approved updated PDF reports, our staff will consolidate the two reports into one. We will provide your NC with the new consolidated inventory report, in Microsoft Excel format, so you may continue maintaining/tracking your NC inventory on a fiscal year basis moving forward.
