Discussion and possible action for the Los Angeles Neighborhood Council Coalition (NWNC Neighborhood Council) request that the City Council create a new Council File based upon the results of the recent DONE survey ([survey](#)) to develop and support alternatives to armed crisis response and AB-2054 Emergency services: community response: grant program. ([Assembly Bill](#)). This would include revamping the City of Los Angeles 911 system. The 911 system should have a call option so that there are three options: Option 1 police, Option 2 fire/EMS, and Option 3 Community Assistance Liaison Team. Option 3 would be created to meet the demands for an alternative to arm crisis response for homelessness, domestic violence, neighbor disputes, and other quality of life issues.
